Article I – Name, Purpose, Responsibilities

The Capital Area Regional Transportation Planning Organization, herein referred to as CARTPO, enhances regional mobility through education, coordination, and advocacy. CARTPO serves as a forum for elected officials to come together on transportation issues to recommend changes in policy and practice, advocate for legislation, recommend regional priorities, direct certain planning and data initiatives, oversee the federally-prescribed local consultation process, and collaborate with the Capital Area Metropolitan Planning Organization (CAMPO).

“Transportation”, for the purposes of CARTPO’s mission, shall be defined as any road, rail, transit, aviation, bicycle, and pedestrian infrastructure, as well as the associated physical, economic, political, and social impacts of that infrastructure.

- Evaluating and recommending projects with a regional impact to the Texas Department of Transportation (TxDOT);

- Developing a regional mobility strategy for the ten-county area;
- Serving as an information clearinghouse for transportation related data.

CAPCOG shall provide staffing and administrative support for all CARTPO activities.
