

Capital Area Council of Governments

6800 Burleson Road, Building 310, Suite 165, Austin, Texas 78744

(p) 512-916-6000 www.capcog.org

CAAR Map

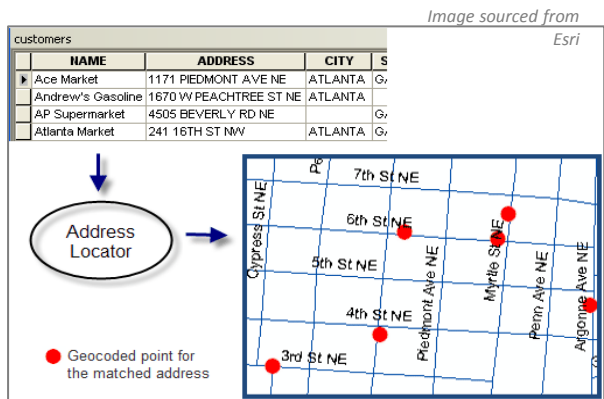

The **Capital Area Addressing & Referencing (CAAR) Map** enhanced GIS dataset is a monthly update of address points, streets, city limit boundaries, and emergency service zones across the 10-county region. Zip code boundaries and the CAPCOG Address Geocoder tool is included also.

Capital Area Addressing and Referencing (CAAR) Map

CAAR Map Applications:

- Emergency Communications/Response
- Routing & Transportation Network Analysis
- Demographic Analysis/Growth Planning
- Address Geocoding
- ...and more

Concept of geocoding street addresses from a Table

Pricing:

Region:

- \$500 for One-time purchase

County:

- \$250 for One-time purchase
