#### Copies of Geospatial Data Sets

CAPCOG, with the participation of various cities, counties and other agencies, annually acquires aerial imagery for the capital area and updates its library of Lidar images every 3 to 4 years, with the goal of continuing this program into the future. The data is available at the CAPCOG offices and may be copied at cost (cost recovery consistent with the Texas Administrative Code) as follows:

Access fee (includes workstation time of up to one hour)	\$44.90
Each additional hour	\$7.88

Costs assume copying the data to your own hard drive. Access is by appointment only. **Advance payment required.** Email CAPCOG GIS staff at [capcoggis@capcog.org](mailto:capcoggis@capcog.org) to make an appointment and receive a cost estimate.

**Data or Maps (Custom)**

Media cost<sup>1</sup> + labor cost<sup>2</sup> + postage and shipping/handling (if any) = TOTAL CHARGE

*Note: Mailing or shipping of maps may require special packaging.*

**Labor Costs – Custom Data Services**

Professional services – senior staff	\$81/hour
Professional services	\$61/hour
Administrative/Technical services	\$42/hour

**Other Publications**

As listed online at [www.capcog.org](http://www.capcog.org).

<sup>1</sup> *Media costs are based on the standard cost of copies, data or maps (listed above).*

<sup>2</sup> *The labor costs for technical services and professional services include the base hourly rate, fringe benefits (50.26% of salaries and wages) and indirect costs (25.99% of salaries and wages).*
