

U.S. Department of Energy - Energy Efficiency and Renewable Energy Energy Efficiency and Conservation Block Grants Program

Financial Opportunities

The American Recovery and Reinvestment Act of 2009 allotted more than \$11 billion for the Weatherization and Intergovernmental Program. Funds were distributed through these projects:

The following documents are available as Adobe Acrobat PDFs. [Download Adobe Reader](#).

- [Energy Efficiency and Conservation Block Grants](#)

The Energy Efficiency and Conservation Block Grants Program (EECBG) received \$3.2 billion from the Recovery Act. States, local governments, Indian tribes, and U.S. territories can obtain block grants to improve energy efficiency and install renewable energy systems. Read the [Funding Opportunity Announcement](#) ^{UPDATED!} [\(PDF 749 KB\)](#) for the program under the American Recovery and Reinvestment Act of 2009 .

- [Weatherization Assistance Program](#)

The Weatherization Assistance Program received \$5 billion from the Recovery Act to expedite the weatherization of low-income homes. [Learn more about these activities](#). Read the [Funding Opportunity Announcement](#) ^{UPDATED!} [\(PDF 749 KB\)](#) for the program under the American Recovery and Reinvestment Act of 2009 [\(PDF 384 KB\)](#), or read a [fact sheet \(PDF 565 KB\)](#) that includes [state-by-state funding allocations \(PDF 566 KB\)](#), and the Weatherization Assistance [Final Program Rule 2009 and Notice for U.S. Territories \(PDF 18 MB\)](#).

- [State Energy Program](#)

The State Energy Program received \$3.1 billion from the Recovery Act for additional grants that do not require matching state funds. More information on these grants will be available soon. Read the Funding Opportunity Announcement under the [American Recovery and Reinvestment Act of 2009 \(PDF 25 KB\)](#) and a table that shows [state-by-state funding allocations \(PDF 25 KB\)](#).

Contact

If you have any questions about the Recovery Act and the funding it allocated to the U.S. Department of Energy (DOE) Office of Energy Efficiency and Renewable Energy (EERE), please contact the [EERE Information Center](#).
