Eligibility Requirements

1. Entities receiving funds from CJD must be located in a county that has an average of 90% or above on both adult and juvenile dispositions entered into the computerized criminal history database maintained by the Texas Department of Public Safety (DPS) as directed in the Texas Code of Criminal Procedure, Chapter 60. The disposition completeness percentage is defined as the percentage of arrest charges a county reports to DPS for which a disposition has been subsequently reported and entered into the computerized criminal history system.
2. Eligible applicants operating a law enforcement agency must be current on reporting Part I violent crime data to the Texas Department of Public Safety (DPS) for inclusion in the annual Uniform Crime Report (UCR). To be considered eligible for funding, applicants must have submitted a full twelve months of accurate data to DPS for the most recent calendar year.
3. The Texas Department of Public Safety (DPS) has established a goal set by the Texas Legislature for all local law enforcement agencies to implement and report crime statistics data by using the requirements of the National Incident-Based Reporting System (NIBRS) no later than September 1, 2019. Additionally, the Federal Bureau of Investigations (FBI) will collect required crime statistics solely through the NIBRS starting January 1, 2021. Due to these upcoming state and federal deadlines, grantees are advised that eligibility for future grant funding may be tied to compliance with NIBRS. Financial grant assistance for transitioning to NIBRS may be available for your jurisdiction from the Criminal Justice Division (CJD).
4. Local units of government, including cities, counties and other general purpose political subdivisions, as appropriate, and institutions of higher education that operate a law enforcement agency, must comply with all aspects of the programs and procedures utilized by the U.S. Department of Homeland Security (“DHS”) to: (1) notify DHS of all information requested by DHS related to illegal aliens in Agency’s custody; and (2) detain such illegal aliens in accordance with requests by DHS. Additionally, counties and municipalities may NOT have in effect, purport to have in effect, or make themselves subject to or bound by, any law, rule, policy, or practice (written or unwritten) that would: (1) require or authorize the public disclosure of federal law enforcement information in order to conceal, harbor, or shield from detection fugitives from justice or aliens illegally in the United States; or (2) impede federal officers from exercising authority under 8 U.S.C. § 1226(a), § 1226(c), § 1231(a), § 1357(a), § 1366(1), or § 1366(3). Lastly, eligible applicants must comply with all provisions, policies, and penalties found in Chapter 752, Subchapter C of the Texas Government Code.

Each local unit of government, and institution of higher education that operates a law enforcement agency, must download, complete and then upload into eGrants the [CEO/Law Enforcement Certifications and Assurances Form](#) certifying compliance with federal and state immigration enforcement requirements. This Form is required for each application submitted to OOG and is active until August 31, 2021 or the end of the grant period, whichever is later.

5. Eligible applicants must have a DUNS (Data Universal Numbering System) number assigned to its agency (to request a DUNS number, go to <https://fedgov.dnb.com/webform>).
6. Eligible applicants must be registered in the federal System for Award Management (SAM) database located at <https://sam.gov/>.

Selection Process

Application Screening: CJD will screen all applications to ensure that they meet the requirements included in the funding announcement. Applications that meet those requirements will move forward to the merit review phase.

Peer/Merit Review: – Local Projects: Projects with a local impact will be reviewed by a panel appointed by the local Council of Governments using their own criteria. The merit review panels will assess the applications for quality and rank by priority, and then report their findings to the CJD executive director. Applicants must contact their applicable regional Council of Governments (COG). Each of Texas' 24 COGs holds its own application planning workshops, workgroups, and/or subcommittees and facilitates application prioritization for certain programs within its region. Failure to comply with regional requirements imposed by the COG may render an application ineligible.

Merit Review – Statewide Projects: Projects with a statewide impact will be reviewed by a panel appointed by the CJD executive director in an effort to prioritize funding. The merit review panel will assess and score each application on a 100-point scale, and then report its findings to the executive director. Scores will be based on standard criteria.

Final Decisions – All Projects: The CJD executive director will consider rankings along with other factors and make all final funding decisions. Other factors may include cost effectiveness, overall funds availability, CJD or state government priorities and strategies, legislative directives, need, geographic distribution, balance of focuses and approaches, or other relevant factors.

CJD may not fund all applications or may only award part of the amount requested. In the event that funding requests exceed available funds, CJD may revise projects to address a more limited focus.
