CAPCOG Plan Year 2023 Criminal Justice Priorities

November 10, 2021

The following priorities, listed in bold text, are presented for the Executive Committee's consideration and the proposed funding priorities for Plan Year 2023 of the Criminal Justice Program. This method of identifying priorities is based upon stakeholder input through the Needs Analysis Survey, made available online from September 16 through October 17 and Stakeholder Meetings held in-person on October 19 and virtually on October 20.

The priorities presented for your consideration are to be placed into the Criminal Justice Strategic Plan and help guide funding priorities in scoring and ranking applications. In Plan Year 2023, the bold text priorities listed below have received the most support for priority funding from the stakeholders and the CJAC. The CJAC voted 9 for, 1 against, and 1 abstained during their November 9, 2021 meeting.
